

HOLY WEEK

Teachings in the Temple

The day after cleansing the temple, Christ spent time in the temple teaching his disciples and answering questions from the Pharisees and Sadducees. During this time, he taught that the widow who cast in two mites to the temple treasury had "cast more in, than all they which have cast into the treasury: For all they did cast in of their abundance; but she of her want did cast in all that she had" (Mark 12:42-44). At times, it may feel that what we have to offer the Lord is so small compared to others, yet the Lord looks not at the quantity or quality, but the condition of our hearts.

As we study *The Living Christ: A Testimony of the Apostles*, we gain a greater witness of Jesus Christ's resurrection, and His role as the living Savior. On the leaves, please write your favorite name or title given to Christ.
